MEMORANDUM FOR: Deputy Director of Communications

FROM:

Deputy Director for Development and Engineering,  
Office of Information Technology

SUBJECT: Senior Intelligence Service Recommendation

1. This memorandum makes note of the strong contribution of  
to our efforts related to the Intrabuilding  
Communications Segment of the New Building Communications Program  
Office.

2. The Office of Information Technology would support  
inclusion of name on the recommended list for Senior  
Intelligence Service candidates. He is an exemplary member of  
the MC career service.
